Glacier Bay & Inside Passage Cruise – Roundtrip from Seattle, this 7-day cruise is the perfect way to experience the best of Alaska's southeastern ports. Glacier Bay National Park is often referred to as one of the Crown Jewels of the National Park system. The Park has snow-capped mountain ranges rising to over 15,000 feet, coastal beaches with protected coves, deep fjords, tidewater glaciers, coastal and estuarine waters, and freshwater lakes. In addition to spectacular scenery, there are plentiful wildlife viewing opportunities with a wide variety of seabirds, marine and land mammals. Learn about culture and Native history. And soak up a little frontier flavor by following the Gold Rush Trail onboard the historic White Pass & Yukon Route Railroad.

Golden Princess® can take you in style to places you've always wanted to see. Among this magnificent ship's features are a lively piazza-style atrium, three state-of-the-art show lounges, a tranquil adults-only Sanctuary, the Movies Under the Stars outdoor theater, sparkling pools, and numerous dining options, including showplace specialty venues.
