

“ Few crowds, *intact* infrastructure and an *upbeat* mood make this an *ideal* time to visit Egypt. In the words of revolutionary Jawad Nabulsi, ‘This is the *best* time to come see Egypt in the making.’ ”

Uniworld goes beyond my expectations. As a single traveler I never felt out of place or alone. On a scale of 1 - 10, I give them 15+. The "Splendors of Egypt" is an exceptional tour. One that seasoned travelers shouldn't miss. The ship 'River Tosca' is a beauty in every way. The staff and crew are so available and friendly and entertaining. The beauty of each suite is 5 Star. The public areas inviting. The food exceptional. The parties a real blast that all can enjoy and take part in. Our tour guide was like a brother who was...passionate about the history and beauty of Egypt and ever so knowledgeable about many other things and willing to share all. This was comfort at all levels. The robes and towels that were furnished were sooo soft. Views from the room so peaceful and exciting. All of the activities and trips were beyond my dreams. A lot of temples but each has it's own special beauty. To see the Pyramids and the extra trip to Abu Simbel are indescribable. Even having seen them I don't believe it. So big and man made. WOW! & HOW? There were no glitches in all of the travel. If you ever have the chance, go for this cruise up and down the Nile.
